Joseph and the Amazing Technicolor Dreamcoat – March 8-10, 2019 – Director's Update

- Joseph shirts should be in by the end of the week – students should wear them on Wednesdays
- Costumes are coming along very well – simple adjustments still need to be made – parents still working on getting shoes and boots
- Picture day is coming – we are in need of robes for the brothers and wives. Anybody have a contact with a local church that might have costumes we could borrow for photos? We are looking for 6-12 costumes – Please contact Mr. Hamilton if you can help with this
- Build days – only 3 left! Lots of painting left to do – Please come out to help!
- Parent Sign UP – online through signup.com- watch for link to be coming out this week – We will send email to everyone who returned a tshirt order form and circled what they'd like to help with. Some adjustments were made to add helpers for concessions and also tickets – thinking through a new setup to help flow coming in and out of the shows
- Patron forms – please see form and letter in packet – remember, Drama club collects/requires no dues, and receives no funding from the school – If you love this program, please consider supporting it financially. Feel free to solicit support from business you may be involved with as well!
- Presale Tickets – see links on weebly site. Staggered sale – Please remember to consider other drama families and don't purchase tickets in the front 3 rows for multiple shows- everybody wants to see their kids!
 - Tuesday 2/19/19 – 7 pm – Friday 3/8/19 Show
