Donations- Shae is willing to take on this however, she is looking for help soliciting donations. In years past she has gone to downtown Wooster businesses. Pennie Burns volunteered to help with this.

Boosters will put a letter together with our nonprofit information.

Decorations- we have 2-3 new inflatables from last year. Chrissy Danko should know where to find the decorations.

Melanie Murillo and Gen Rohrer are able to volunteer for the kitchen.

We will be replacing the Santa's Breakfast signs.

We would like to invite the Art Club and Construction Tech Team. Mr. Hamilton will email the teachers to invite them.

Pennie Burns said she makes cards and Jen Marthey suggested to reach out to Dawn Klett as this might be a good addition to the Stars.

\*We need volunteers for this committee.

### **Volunteer Sign Ups**

Jenn Stump reviewed the need for the committee's and the idea behind having a Committee contact and a leader for each one.

## **Venmo**

Charges reviewed.

The account would be tied to one person on the account.

Single line item into Venmo.

Mr. Hamilton asked if since only one person has access to the account if they must be present. Jen Marthy said she doesn't think so.

Mr. Hamilton suggested we try it and see what happens. Soft launch during Fall Plays. Mr. Hamilton asked if people could see what we made or transferred. The answer was no.

Money for Fall Play concessions goes to the school. If we do Venmo then Boosters can donate Venmo sales back to the school.
