

The Music Man Families!

Green Local School's production of 'The Music Man' is well underway! Your child is working very hard to produce one of the stage's most beloved musicals, but they can't do it alone... and neither can we! Now, we know that we all lead very busy lives, but we are reaching out for your help and support, no matter how small it may seem to you, every little thing adds up. We are asking for each parent that has a child in the Green Local Drama Club to please lend a hand and volunteer for at least one committee at www.greenlocaldrama.com. At the top of the page is a "Click Here to sign Up". We are trying to make this "Green Local" Drama Club not the High School Drama Club or the Middle School Drama Club. So please help and volunteer to make this production run smoothly. Mr. Hamilton, Mr. Zimmerly and the Booster Officers cannot do this alone. With that said we have listed the committees that are in need of volunteers and what the responsibilities are. Please return your t-shirt order form, and don't forget to sign up to lend a helping hand please! If you have any questions, please feel free to email us at:

Thank you for your support. This show cannot be produced without your help and dedication!

Yours in theatre, Ethan Hamilton

SET CONSTRUCTION & PAINTING: We need folks with drills! This is a big set and we need lots of adults. Build days are typically help 8-12 on Saturdays. We are in need of many folks to help get most of the set built on the first two workdays. This will allow us to get the lion's share of the work done so your kids can get used to the space. Please feel free to stay the whole time or come and go, but we really will need all hands on deck (adults and kids) for this one folks! The more help earlier in the process, the better your child's rehearsals will be, and that's the truth!

COSTUMES: Committee members help to keep costumes organized on the racks during dress rehearsals and shows. Make repairs and alterations to costumes and sew costumes if needed. Generally: Sewing experience is great but not necessary for this specific production - not much fabrication at all, but hemming, etc. is always useful.

GREEN ROOM PARENTS: We are looking for two sets of parents, each night, of the week leading up to and including the show nights who would be willing to watch over the kids during the show. Basically to keep them quiet during the productions and keep them entertained.

TICKET SALES: We will need 2 parents each night of the show to sell tickets and balance the cash box. You would need to arrive an hour before the show (by 6:00 PM) and stay 15 minutes after the show starts for anyone that arrives late.

REFRESHMENTS / CONCESSIONS: We are looking for help to set up the concessions prior to the show and work before the curtain opens, a small team during the show to prepare for intermission and during intermission.

DRESS REHEARSAL DINNER: This is served at 4:30 PM on the Thursday night of the final dress rehearsal. Parents help organize a dinner for the cast and tech crew. This meal is covered by the Booster Funds and we have a budget of \$3.00 per child.

PROGRAMS: We are looking for parents who can type bios, Mr. Hamilton will gather the information. Then the week of the show we assemble everything for the weekend.
