Saturday Build Days—Tech Crew, Parents and Actors

We are on a very tight schedule for this show. GMS/SHS tech crew members are required to attend these build days. Parents, including GES families- please consider coming in on Saturdays to lend a hand. We cannot build these sets without parent help, the more adult help we have the quicker the set goes up, the better the rehearsals are.

Note that we are asking GES parents attend and help with construction, costumes & painting with your child. Please do not drop your GES kids off and leave. Thank you for understanding and respecting this.

Dear Green Local Schools Drama Parents,

Rehearsals for James & The Giant Peach are well underway! We are hoping to have a very well represented & involved crew of drama parents supporting all of our actors & actresses on various committees for the production, but we aren't there yet. If you have not considered signing up yet to assist in the success of this year's show please plan to as early as you can by visiting www.greenlocaldrama.com, we can't do it without you, and that's the truth. Our "Sign Up" list will be out very soon!

As you all may or may not know the Green Local Drama Clubs receive no funding from the district beyond, salary, and our facility and utility usage - this is the motivation behind our reaching out each year for your patronage and financial support of the GLS Drama Clubs. Actors, parent advisors and directors have put many hard hours into these productions to make them as professional, exciting and entertaining as possible. Your financial support is needed to provide these wonderful performances and programs for our students, both on stage and behind the scenes. Our productions are completely self-funded by ticket sales and **your patronage**. Now, more than ever, we are counting on your financial support. Show performance rights and material costs continue to increase for every product imaginable and so your patronage will serve as the life-line of our production. We are hoping that parents and the GLS community alike will lend a hand supporting this exciting and wonderful program. This being said, if any of you work anywhere that would be willing to help with production costs in exchange for advertisement space please contact Mr. Hamilton as soon as possible.

We will be having parent's patronage represented on both the "Patron List" & at the higher levels, a "Family Message Board" Any businesses that lend their support will be listed as in the past, or with an ad if they wish. For more information and examples of parent patronage, see the back of this sheet.

To become a Green Local Drama Patron, please fill out the provided form and return it to school no later than by Friday, May 3rd to have your name appear in the program as a proud supporter of your child and your drama program. Your support is greatly appreciated. Through your patronage we will be able to present a wonderful and exciting performance for everyone this year, and the coming years! Thank you for your support. If you have any questions please feel free to call Ethan Hamilton at school 330-669-2751 or email me gren_hamilto@tccsa.net.

Yours in theatre,
